Our STORY

Dude & Meatball's is a small business that truly puts family first. Dude & Meatball's is owned by Jake and Lexi who are originally from the state of Iowa. The fantastic name is inspired by Jake and Lexi's dogs, Dude & Meatball! When trying to think of a fun name for their restaurant, they looked down and realized the best inspiration was right at their feet. Dude is an 80 lb. old english sheepdog and Meatball is a 12 lb. pomeranian and miniature poodle mix. These four have been vacationing to Miramar Beach for years and always dreamed of moving to the beach and opening their own business. Their delicious recipes are homemade, fresh on location, and have been passed down for generations! Dude & Meatball's was established in 2022 with the dream of providing a fun environment for friends, family, and pets to share a good meal and a good time!
